

REIGATE EVENING WI
Record of Meeting Wednesday 10th May 2024

Rachel opened the meeting welcoming everybody and gave a brief health & safety update and reminded us to sign out if intending to leave early.

Rachel then co-hosted the resolution briefing with Vivienne:

- Gave the NFWI provided PowerPoint on the Resolution - Dental Health Matters
- Ran a 10 minute segment from the BBC about the current dental crisis
- Tried to run a 22 minute workshop presentation provided by the NFWI but unfortunately the quality of the recording was poor so we switched off after 10 minutes.
- Had a quiz about specific dental matters

We apologise for the poor quality of sound for the presentation and thank you to Rachel for stepping in last minute after Vivienne was unable to do the presentation.

Congratulations to the winning team who won the coveted prize of a bag of apples (very good for oral health apparently!)

Rachel encouraged folks to sign up for the various activities advertised at the back of the room.

We then had a vote on the resolution which was 18 for and 3 against.

Finally the raffle was drawn and then unfortunately the meeting was closed early. We had prepared something for after the break but as many members decided to leave early we felt there weren't enough remaining to do the planned event. We will keep this for a later date.

Thanks to

- Caroline Vaughan for registry
- Pam Wootton and her helpers for refreshments
- Anne Knox for manning the raffle table

Next meeting is on **12th June** at the usual Reigate venue.

Rachel Doherty
President
