

## REIGATE EVENING WI

### **Record of Meeting Wednesday 8 April 2026**

Margaret Gordon opened the meeting welcoming everybody.

Margaret introduced the speaker Laura Elsey, Insight into the work of Forensic Science. Laura has worked for over 20 years in fingerprint analysis and digital forensics. She explained about the different fingerprint pattern types and how they are analysed. In recent years Laura has been working in phone digital forensics and she gave us an overview of the type of work that entails.

Gill Reynolds thanked the speaker.

Margaret then announced the boards:
